ITX M3 Black

ITX M3 Black

The new Mini-ITX generation of Inter-Tech - modern, style-conscious and remarkably practical. The **ITX M3** is completely made of 4.5mm thick aluminum and has therefore, also by the many ventilation holes, excellent, thermal load of the components.

The case offers the possibility to mount a Mini-ITX motherboard and for a performance-hungry system the **ITX M3** offers space for a standard ATX power supply. Thanks to the large space the **M3** offers many possibilities for DIY.

Two USB connectors in the front, one of them USB 3.0 and one of them USB 2.0, as well as 1 x SATA data port on the rear side round up the diversity of this case.
